

### PROJECT UPDATE | ISSUE 3 | JUNE 2017

Since our last update in March 2017, we are happy to report that filling works are now completed. Infrastructure works are now underway and we anticipate these infrastructure works to be completed by the time we send out our next purchasers' update end of September.

The exciting construction of individual homes will follow thereafter and the development will begin its' transformation. We look forward to providing construction updates and pictures once we transition into the building stages.

In the meantime, if you have any queries regarding the development, please feel free to contact your sales representative.

Entrance to Casey Green starting to take shape.

Roads being formed.
