

PROJECT UPDATE | ISSUE 6 | MARCH 2018

Since our last update in December 2017, we are happy to report that builders have been appointed and construction has commenced at Stages 1 and 2 of Neighbourhood 3 at Casey Green.

Marcus Group is the appointed builder for Stage 1 while both Marcus Group and Yarrabank Homes have been appointed as the builders for Stage 2. Foundation works are currently ongoing for these two stages.

Infrastructure works at Stages 3 and 5 are ongoing and we expect these works to be completed before June 2018. Construction of individual homes will follow thereafter.

As a general guide, the following are forecasted completion dates:

Stage 1 – Completion of construction in 3Q18; settlement in 4Q18
